

## Step 3: Supervised Parent Child Interaction Notes Ducks on the Table

How did the parent exhibit that they understood the concept?

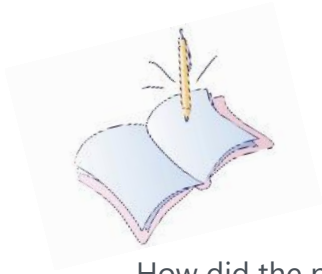

What are the parent's strengths?

What is the child saying?

How did the parent and child show a connection?

Does anything concern you?

Are simple, quiet scaffolding techniques needed? If so, what would you use?

## Step 3: Supervised Parent Child Interaction Notes Thumbkin

How did the parent exhibit that they understood the concept?

What are the parent's strengths?

What is the child saying?

How did the parent and child show a connection?

Does anything concern you?

Are simple, quiet scaffolding techniques needed? If so, what would you use?
